

COMMUNITY CAPACITY BUILDING PROJECTS

Community Capacity Building projects are intended to strengthen Lanark-North Leeds communities by supporting projects that are incremental, address local needs and priorities which result in long term benefits including job creation, economic diversification, and enhanced business competitiveness.

Eligible Projects:

Eligible activities and costs must be incremental and demonstrate significant direct or indirect impact on the enhancement of local business and/or the community as a whole, demonstrate evidence of support from partners in the private sector, community organizations, municipalities, and/or the provincial government.

Eligible Costs:

Eligible costs may include, but are not limited to any direct capital or non-capital costs of the project. Only costs that are reasonable, incremental and which relate directly to the eligible activities will be allowed.

Funding Criteria and Guidelines:

Partnerships are encouraged with other funding sources. Contributions may be up to 75% of eligible costs.

All projects must be completed and funds disbursed by February 25, 2011

Proposal Requirements:

A formal application is required for each project. Applications must be received prior to 4 p.m. April 30, 2010.
